

The SAINT & the SINNER

The saint
Glorifies
GOD

But the sinful man,
seeks his own Glory

The saint takes
responsibility

While the
sinful
man
shuns
it

The
saint
prays
and
intercedes

But the
sinful
man
only
mumbles
& complains

The saint
weeps
when
others
suffer

But
the
sinful
man
only feels sorry
for himself

The
saint
is
content
with
little

But the
sinful
man
is
never
satisfied

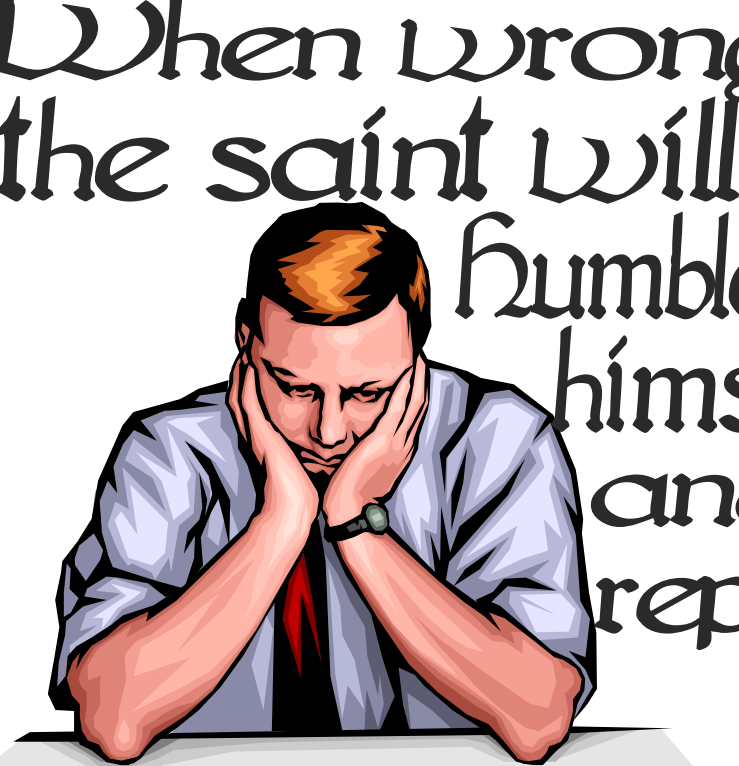

Saints rest their
hope and faith
in GOD

But the
sinner
puts his
faith
in
everything
else \$

When wrong,
the saint will
humble
himself
and
repent

But the sinful
man
will
shift
the
blame

The saint treasures
people

While the sinful
man only
treasures his possessions

The saint obeys
the
Spirit
of
God

But the
sinful
man
is
ruled
by his
flesh

The saint keeps
herself
pure
and
clean
in all types of pleasure

But
the
sinful
one
indulges
in all types of pleasure

The saint protects
and covers
over

While the
sinner is
only
concerned with
the dirt and
shame of others

The saint is true
to his
word

But the sinner's
words &
actions are
far apart
