

What's Gods stance on Abortion?

From her book Heaven is so Real, Choo Thomas explains what she heard from Jesus Christ while in Heaven

AFTER WALKING OVER the beautiful golden bridge, the Lord led me to a place where babies and infants—many of whom looked as if they had just been born—were kept. It was a huge room, like a warehouse, and wasn't fancy or pretty. It was filled with babies who were naked and lying close to one another.

“Why are there so many babies here?” I inquired.

“**These are babies of mothers who did not want them. I will keep their babies!**” the Lord answered.

“What are you going to do with them, Lord?”

“**If their mothers are saved, they can have their babies back.**”

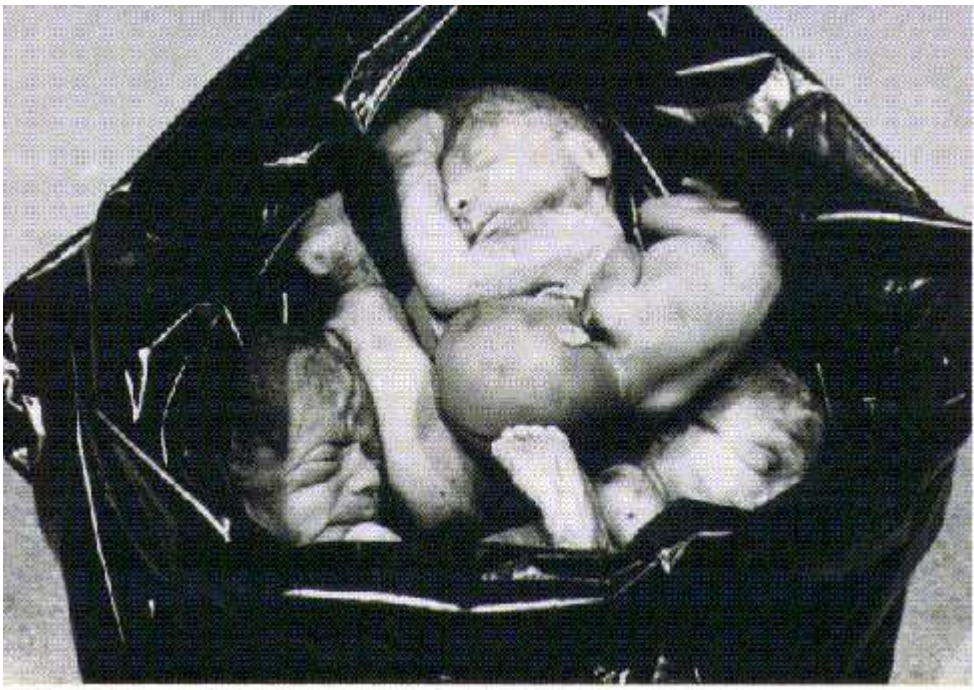

“What will happen if their mothers are not saved? What will you do then?”

“**Other mothers will have them when all My children come into the kingdom.**”

I then understood that these babies had been aborted from their mothers' wombs, and I began to cry. **Jesus shouted, “I do not like abortion!” His voice and His demeanor grew harsh and angry**, and I realized, then and there, that this was a message I would soon be sharing with all who would listen.

The Lord does not like abortion. It is one of the worst of all sins to Him. It was Jesus who had said, “*Let the little children come to Me, and do not forbid them; for of such is the kingdom of God*” (Mark 10:14). Jesus loves little children, and I could see His tender compassion for these aborted babies as I watched Him and listened to Him.”

It violates His Judgments,
it provokes His Wrath,
The Lord sent us warning after warning!
You must stand up for what is right,
and oppose what is wrong!
